## PRESIDENT'S MESSAGE

by Rob Rippee

I wanted to begin my first note of the new year by thanking Karen our amazing secretary. She works very hard all year in truth, we couldn't do it without her. Thank you Karen. Also our board is a wonderful group of people that make this club a success. They work hard and have great attitudes. Thanks to all of you! Last but not by any means least the volunteers are the greatest. Thank you for your commitment to the CDA Bowmen.

Winter League. We start warm-ups/sign-ups from Feb 1-5. League starts Feb 8. Traditional shoots every Thursday night. Thank you Paul Clock for your hard work in finding a building for Winter League.

As the planning continues for up coming events volunteers are needed. Please give me or Paul Clock a call if you are able to help.

Looking back over last year I hope you had as good as year as I did. The times are tough but during these difficult times I am reminded of the importance of spending time together with family and friends. The Winter League and spring shoots are always a great place to bring friends and family. I look forward to seeing you soon at League!

*Rob*

CDA Bowman, Randy Neal, Big Game Chairman, while calling elk along the CDA River couldn't believe his eyes when a cougar ran past him. With a broadside shot at about 15 yards, that was all it took!
